

# ENYROADUP

Newsletter May 2009

## Mike Pask Trial

14 drivers turned up for the event and a good time was had by all. Mick thinks that some sections weren't really designed for long wheel based motors (not because he's a sore loser of course) but then some 90 drivers didn't think they were designed for short wheel bases either!

Good luck to anyone taking part in the ALRC Nationals this year—let us know how you get on. Look out for next trial—beginners always welcome!

## ENLROC's Birthday

ENLROC's Birthday Bash is the 13th and 14th of June at Long Buckby. We are organising a weekend of fun and frolics to celebrate 20 years of ENLROC.

### Events to get involved in are;

Trailer reversing  
Trials sections  
Blind folded driving  
Green Lanes circuit  
Mud Run  
Evening BBQ—bring your own food and drink  
*Any other ideas—Let Barry know*

You can camp for the weekend (portaloos and water supply are organised!) or just visit us for one or both days.

We need to know rough numbers for the event, so let Barry know on 07976 723627 asap if you want to come along.

## Club Shop

Some people have been asking for some different items or different colours just recently. We are happy to order such items—so let Mary know what you want. You will need to pay up front and we will place the order each time we have 24 items (gets us a discount!)

## Shows

A great time was had by all at Rushden Cavalcade—19 vehicles in total! Great communal BBQ with plenty of beers. Hope to see some more new faces at shows coming up. See Kev for forms for Cranford and let him know if you want to come along to Peterborough show for tickets.

## Club Night

Well done to everyone who took part in the quiz last month—I promise to make the questions a little easier next time! Hope you all enjoy the child themed activities this month.

Enclosed is a treasure hunt (extra copies available off the website). Enjoy it during some free time either as a single vehicle or as a group and bring it along next month for marking and the winners will get a prize. We are still looking for more ideas of what we can do on club nights—let us know if you have any ideas. Keep an eye on what's coming up and get ready to join in.

# **ENLROC Calendar**
