Green Lanes

With all the bad weather we have been having recently, the opening of the lanes hasn't really happened this year.

However, it seems that most lanes are officially open, although there are many that are still padlocked without official closures.

If you are planning a trip out, speak to Eddie for a heads up. In addition, if you find out anything new, then also let Eddie know so that we can keep everyone up to date.

We are always looking for new activities for club night. If you have any ideas, then talk to Barry King. A massive thank you goes to the following members for their ideas;

Mark Jones—the skittles last month were a huge success and provided a lot of entertainment with some members getting very competitive! We hope to make this an annual event.

Colin Jones—for a very well organised and pleasant evening at the Mandarin Buffet in Northampton. It was great to see everyone out and about for a very sociable evening. We are looking forward to organising another evening like this very soon
