Award Winners

Colin and Rose Jones were awarded the 'Spirit of Overlanding' Award from the National Geographic Society last month. They were attending an overlanding workshop at Terrington Hall near York for talks by experienced overlanders and advice about visas and passport control, when the organisation picked their Land rover for the award. A massive well done to Colin and Rose and good luck for their imminent trip to New Zealand and Australia.

Green Lanes

There are no new closures to report at the moment. Please remember to check the appropriate county council website before any green laning trips. Eddie is looking forward to your updates about lanes that you drive to inform new drivers

Please contact Eddie on 07825 182111

Trials

We have been invited to an interclub with Peak and Dukeries over the August bank holiday weekend. The events will take place at Hall Farm in North Derbyshire and will include an RTV and Comps both during the day and at night. If any one is interested, Paul has the entry forms

Speak to Paul on 07718 118778

Grendon Lakes

We have been fortunate in finding a new site for club activities at Grendon Lakes. Thanks goes to Paul for finding it and booking our events there. Check out the calendar for the extra trial and the playday that are organised. We hope to see you all there.

Shows

The costs for Peterborough are now due. £17 is the payment for 2 adults in 1 motor for the whole weekend and camping. Details for day visitors are still to be confirmed.

Social Weekend

We hope that everyone enjoyed the social weekend—the rain only gave us more amusement!

A massive thank you goes to everyone who helped with the organisation; Paul for organising all the permits and land hire for the play day, trial and camping, Alan, Geoff and Mick for scrutineering over the 2 days, Andy for marshalling the play day, Basher for Saturdays' clay pigeon shooting, Danny and Burt for setting out and leading the trial, Eddie for organising and leading the laning trips, and last but not least, Barry for the overall co-ordinating.

We hope to see you all again next year.
