## Shows

Cranford Show is the final show of the season, starting on Friday 21st September.

It will be Christmas again so be prepared! Christmas hats must be worn at all times and any club member caught without one will be paying a fine to the Northants Air Ambulance.

It's mulled wine and mince pies on Friday evening, so bring some along to add to the pile. Shirley's homemade mince pieces are always amazing so see if you can outdo hers! Saturday is Christmas Dinner. The BBQ will be lit but we don't want to see anyone cooking beef burgers!

We know this years show season hasn't been the most successful due to the weather but we hope to see as may of you as possible helping us to close the season in style!

## Photos for the website

We do still need loads of photos from all our events—especially those in the long ago past or our most recent events. If you can help, you can give a disk to Burt at any club event or send him an email with photos attached.

## Fire Fighters and Red Cross Driving Day Sunday 14th October

We have been approached by the Red Cross and the Fire Fighters Charity to help support their annual Ladies Driving Day. This event is allows ladies to drive a variety of vehicles such as articulated lorries, double-decker buses, limousine and 4x4's. Normally, they have a company who provides a selection of Mitsubishi 4x4's but this year they are stuck and need our help.

We need 5 volunteers for this event. The role would require you to instruct the ladies how to drive around an off road course, and then allow the ladies to have a go themselves in your vehicle.

The event is being held at Bruntingthorpe Proving Ground, Lutterworth and volunteers need to be there by 8am and will finish at 5.30pm. You will be provided with breakfast and lunch and snacks throughout the day. The event has it's own insurance which covers public liability as well as the vehicles for accidental damage on site.

If any of our female ENLROC members want to participate in the day, we have a sponsor discount which brings the cost to £75 instead of £100. There is a poster attached to this email for those who are interested.

If you can help us, contact Michelle by phone or email on 07876 646970 or [reading\\_michelle@hotmail.com](mailto:reading_michelle@hotmail.com)

We are always looking for new activities for club night. If you have any ideas, then talk to Barry King. A massive thank you goes to the following members for their ideas;

We are just starting to organise events for 2013 and would welcome any of your ideas. I am sure you don't want to always do the same things at club night so tell us what you enjoy and what you don't. And as always, we would always welcome alternatives!
