February brings our AGM. Enclosed you will find the official reminder and voting form for committee positions. Membership Renewal

It's membership renewal time again. The current form is attached for you to complete.

We are pleased to announce that we are able again, to keep fees at £20 as our cost cutting with emailing newsletters and with Pete hand making the trophies has worked really well.

If you joined us since November 2011 then you must complete a form, but no money is due.

Spax Performance Parts Discount

ENLROC members now get a 15% discount on all products. To make use of this discount, take a look at their website and email them with your name, address, membership number, telephone number and part number and quantity for them to process the order showing the discount.

Club Activities

We have changed our social activities for next year slightly, but we are still on the look out for new ideas. If you can think of something that can be done on club night or can be added as an extra event then talk to Barry about it.
