Green Laning 2013—Save the Dates!

We are planning 3 laning trips this year, with provisional dates in May, June and September on the calendar. We have shortlisted Salisbury Plain, the Peaks, Wild Wales and Dorset as destinations. The research is underway and we will bring you more details asap. If you are interested in joining us in May please contact Hayley so we can plan for the right number of people

Depending on interest and numbers, we will also run some local laning. We are hoping that weather and lane availability will be favourable to allow us to make the most of the light evenings on the 11th, 25th July, 8th and 22nd August.
