Green Laning

For those members attending the first green laning weekend trip, it is based in the Peak District. If you are planning on attending for the whole weekend, then you will need to find your own accommodation in Holmfirth for Friday night, and Bakewell for Saturday night. For those intending to join us for a day trip—you can see where will be starting each day!

Wedding

Eddie and Gail would like to thank everyone who came to their wedding reception last month. It was a wonderful evening and all down to the people who came to share the celebration.

Trailer License

Some of you young people (under 30!) are probably in a situation in which you can't legally tow anything substantial unlike older people (over 30's!). To be able to tow without restrictions, you will need to take an additional driving test.

We have teamed up with Streetwise Driver Training to offer preferential lesson rates to our members.

Speak to Michelle on 07876 646970 if you want more details

Shows

The club night on Wednesday 8th May is the last chance to book in for Hollowell and Swavesey shows. See Kev if you want to come and haven't yet booked in

We all had a great weekend at Cavalcade with beautiful sunshine and lots of interest from the public. Thanks everyone for making it a great weekend.

The Billing Militaria show went very well with ENLROC achieving 2nd place in the trailer reversing competition and winning the award for 'Best Original Paintjob'. The organisers will be joining us this club night to get our feedback on the event

Any questions about shows? Speak to Kev on 07866 023426
