# ENYROADUP

Dear ENLROC Members,

Just a short newsletter this month as I'm away shortly and not able to send anything more.

I have included a few important items (please see the next page) watch out for emails from other members of the committee regarding updates. Particularly for the club night which is Polish & Pose or for events that make be suitable.

Before I sign off for the Summer I would like to add my thanks to Hayley and Greg. I finally got organised to accept an invitation to go out on the lanes with them. The day started brilliantly with bacon butties provided and prepared by Greg. As always Hayley & Greg were lovely and generous with their time and the sustenance. We had a leisurely morning out and about with friends and all seemed well with the world. (Well, except for my CB which could receive but not transmit. Thus meaning I could hear the witty banter but not take part! Some may wonder if Barry had cleverly disabled my unit? Anyway, it wouldn't be a Land rover if there wasn't something to fix)

I hope to include more photos next month but for now here's the group shot

# In Memory of:

**Ted Marsay**

1945—2015

It is with great sadness we inform the club of the passing of Ted Marsay after a long and brave fight with illness.

Ted was a keen trialer and enthusiastic club member in the early days of ENLROC. He and his wife Sue were both committee members with Ted taking on the role of Competition Officer, a position he filled for several years.

During his time as Competition Officer Ted attended Association of Land Rover Club meetings on behalf of ENLROC, and was not shy of speaking up and suggesting improvements.

He was a man who spoke his mind and you knew where you stood with him, he ruffled a few feathers, but always with the best of intentions, and probably the feathers were in need of a good ruffling anyway.

Ted drove in RTV trials initially but soon progressed to the more demanding CCV trials building his own CCV trials motor and custom-built trailer.

At this time ENLROC was not running any CCV trials due to lack of entrants so Ted and Sue did their trialing with neighbouring clubs Leicester and Rutland and Peaks and Dukes where they were quite successful.

He had not enjoyed the best of health for quite sometime and passed away on 8<sup>th</sup> July.

Ted will be sadly missed and we send our condolences to Sue and family.

# News & Thankyous:

Firstly a huge 'thank you' to everyone who took part in the social day. Whether you came to help set up on Saturday or Sunday; or if you just popped in for a quick brew. It was great to see so many people there. I'd like to add a load of photos and further review in the next Newsletter so please do send or bring in your pics and comments so that I can celebrate a really good day.
