# ENYROADUP

Dear ENLROC Members,

April marks the longer summer days, slightly better weather, potential opening of green lanes and hopefully a few more chances to use the Landy. I for one will be hoping to get out a little more and drive the machine that has sat dripping on my drive over the winter months.

We have some club members who are already planning big trips in the near future and of course the show season will take off again. I would like to think that the newsletter can be full over the next few months with your photos and snippets of news.

If you are making plans and wish to share them with the whole club please feel free to send me the details and I will make every effort to get the information out to all.

I will be starting to organise this year's 'Polish and Pose' event so put that date into your diary (**Wednesday 8<sup>th</sup> July**). I am also hoping to make this Photo competition in September a bigger event with more categories, prizes and more ways to enter. (You will just need to make sure that you take the photos!)

Whatever you end up doing this month and through the summer, have fun.

# News:

After reading a land rover magazine we came across something called Rates Billing Portugal, then reading about how it was started by some Portugese who visited "The Billing Show" it sparked an interest in us to visit them.

As we have the travelling bug and have never visited Portugal we thought well why not? So plans were made.

The show is over the weekend of 29<sup>th</sup>, 30<sup>th</sup> & 31<sup>st</sup> of May.

So on the 23rd of May, Colin and Rose (series) Mark and Nick (high rise flats) and a friend called Crofty (Disco and caravan) will be catching the Euro tunnel to France, planning on a 4 or 5 day trip through France, Spain and eventually Portugal to the show.

All being well we will update upon our return.

Colin & Rose

## Trial @ Cranford – 19<sup>th</sup> April:

The next trial has been planned for later this month. Dan Marshall has kindly agreed to run this as a one-off. It would be really great if all those considering trialling can confirm with Dan their intention to attend so that he can gauge the interest and numbers. Please let him know this week if you definitely can or can't make it.

Many thanks.

We do have a new competition officer! More next month of what this may mean for the club and how you may be able to support.

# Ask ENLROCI!

**Why not ask the club members?**

**Occasionally you'll actually get some sensible suggestions!**

Make your suggestions/answers via email to

**Please try to contribute to your newsletter:**

**All we need are some photos or comments to add and it will make the newsletter easier to fill, more interesting and we may get it to actually contain some news!**

Please send me your news, photos, ideas and feedback. If you have been to an event send in a short report and some photos. If you've done a project on your Landy let me know and send in some pics. Planning an event, got something to say?
