ENYROADUP

Dear ENLROC Members,

There are quite a few bits of important information to look out for in this month's newsletter:

Who has a big birthday coming up that might require some cake baking? When is that date for the Gaydon show? **Who still owes money from the last show?** What is the date of the summer ENLROC social day? (and what will be happening at that event?) **Why does the calendar now show the committee night meetings?** What percentage can you get off all old stock in the club shop? **How can you find out more about Greenlaning?** And, Where might the club night be held next month?

That last point might be quite important. We hear that Billing Mill may be turning the meeting room into a ball pit! Well something like that. In fact when we arrive this week it's just possible the Marshall family will be sitting in their usual place surrounded by balls (no jokes about talking balls please!) If we do find that we've been displaced we have been told that we'll find space in the pub somewhere. This may well mean that we will look to change venues for future meetings.

At present we will be considering a move back to Overstone. (I believe that this is a previous club venue, before my time.) It should have adequate parking, doesn't have a height barrier, is part of the same food/pub chain and is only 3.9 miles away from Billing. If you have any thoughts on this let me know.

News:

ENLROC Social Day – 11th July 2015

The current plan is to run something similar to last year when we had the birthday celebration day at Cranford. We would like to have a good mix of fun activities, cake some driving, some more cake and maybe a large pot of tea. It's really open to all members to get involved. There's a few suggestion already so we're likely to see another version of the reversing challenge. We would like to do a few more events for the children (or child-like) so I'm thinking of a treasure hunt? We would aim to have something for everyone.

Green Laning:

Hayley has now got the green lane email contact setup so to get your addresses added to the list simply contact her. If you are planning a trip and want to ask for others to join send the details and message to Hayley and it will be forwarded to all those who have expressed an interest in Green Lanes. When Hayley has been out and has information to share she will do that but it works both ways! If you see a lane that's open or have enjoyed a good lane send in the details and we can share it around within the club.

The Calendar:

We have added a few new items to the calendar and I'm keen to add more. If you know of events taking place email me (Pete) and I will update the information. I have added the committee meeting dates so that everyone knows when they are. If you have any items for discussion get them to one of the committee a day or two before we meet and it can be added to the agenda.

Birthday Cake?

The cake is to celebrate a special birthday for Stuart. So if you're going to the weekend at then have a look through your favourite recipes and practice for the Cake competition (to be held at the social event in July)

Multi Club Trial :

We have an exciting new series of interclub trials coming up this year. The first event will be on 28th June. Book the date now and ask James or Paul for more details'

ASK ENLROCI!

Need to Know something?

Why not ask the club members?

Occasionally you'll actually get some sensible suggestions!

Make your suggestions/answers via email to

Please try to contribute to your newsletter:

All we need are some photos or comments to add and it will make the newsletter easier to fill, more interesting and we may get it to actually contain some news!

Please send me your news, photos, ideas and feedback. If you have been to an event send in a short report and some photos. If you've done a project on your Landy let me know and send in some pics. Planning an event, got something to say?

Your Committee:

My apologies for the mistake with the new greenlining email. I have corrected it to the correct address and have added more contact details below. Where a phone number has been shared please do respect this. Committee members should only be contacted between 9:00am-9:00pm for club business.

Please do not pass on these contact details to people outside of ENLROC without first asking permission from the individual in question
