

Not January 2017

# The ENL-ROC SLIDER

Monthly (Sort of) Newsletter of the East Northants Land Rover Owners' Club

Hi Rovernuts!

Welcome to the much awaited Not the January Newsletter, packed with information that is essential to your life in ways that are both mystical and sublime.

And some things that overran a bit or I just plain forgot to put in the December issue... My best excuse is that I'm flat out busy so I forget stuff... at least I think I do... haha

Anyway, here's the final epistle of 2016 - enjoy!

Rovernuts is a salutation used by Land Rover enthusiasts from the Far East (I think), by the way, and I thought I'd give it a go to see how it sits in the context of the Slider; not too bad as it happens...

Cheers,

Mark

Oh yeah, MC and HNY!!!!

Beertime! ☺

## Shows News:

### **KELMARSH LAND ROVER SHOW 21<sup>ST</sup> TO 23<sup>RD</sup> JULY:**

I have discovered that the five 'free' club display vehicle places offered at this show will still have to pay for their camping at... are you sitting down?... up to £70 for 3 days! Blimmin' eck... this does include show entry which would otherwise be free if you are exhibiting, of course, though there is no way of selecting this on the website. I suppose it would be necessary to claim a £30 refund for that bit (if available) which still leaves £40 per camping unit to pay at the very least. I haven't submitted the application and won't be doing so unless I get some very keen club members who wish to attend!

# Trials News:

As reported in LRO mag, attendance at Land Rover trials and other sports events is falling nationally. In conversations I have had with vehicle club committee members from other countries it seems to be falling everywhere, not just in the UK, but falling it is, so please support your club events when you can – we rely on you being there to give us a reason to carry on! ☺

## The Wherethef'ckarewe Section:

Well, as we all now know, for reasons beyond their control Lisa and Simon have moved to more southern climes and the Chequers Pub in Yelden is shut! (it would have been shut in January anyway for their annual holiday). As a result our monthly Club Night is moving to the Windmill Club, Glassbrook Rd, Rushden NN10 9RP.

Plenty of parking out the back. The door (round the front) has a buzzer – press it and they will let you in!

We'll have a sign on the door anyway, and we'll be in a side room so we might have a sign on that as well! ☺

See you there. There will be another newsletter before then...

# Kev's Beer Weekend Section:

# Ideas by You Section:

Just to let you know, if you have any ideas for the club, social events, sporting events, gatherings, drive-outs etc, your committee is here to help you make the thing happen and we would love to support your efforts!

Come on – you know you want to do it, and we will be around to assist, after all. ☺

# Committee Contacts:

Committee members should only be contacted between 9:00am-9:00pm for club business, please, and we would be grateful if you would not pass on these contact details to people outside ENLROC without first asking permission from the individual in question.

All contact details are due for an ENLROC website/email update, however, and will probably change shortly, so there is no point in memorising them at the moment. I'll tell you when you can though...

Nor does the Slider accept responsibility for the next 5 billion babies born to us all, for they will cripple the Earth and bring mankind to its knees. Happy thought, eh? See you in 2017! ☺
