# Beauties from Afar Section:

I ran into these guys whilst disembarking from the Stena Seaways ferry in Holland last Friday morning and gave them a club business card in exchange for a couple of photos of their Land Rovers:

Why am I bothering you with this information? Because they are from Denmark and were on their way home having driven by green lanes from Harwich (in Essex) to Wales (where they then drove all the top lanes as well) and then green-laned it back to Harwich! Gentlemen, you are true adventurers and The Slider salutes you!

They were also thoroughly nice fellows.

Feeling inspired? I know I am... Trip to Denmark, anyone?

Ideas please!

## Club Members Section:

Probably best to contact me and I'll pass his number on to you.

## Whatchyadoin?

**The Small Print:** The ENLROC SLIDER does not accept responsibility for unsolicited manuscripts, articles or photographs, election results (again), or any decisions whatsoever made for better or for worse, whether in verse, or not, however perverse, with aspects adverse, obliquely obverse or positively discriminatingly diverse. All we know is that it's best to be careful what you wish for, because you might just get it. Nor does the Slider accept responsibility for the bigger picture; as much as we'd love to, because it's just too big. I mean, look around. Wow. Big innt? Big.
