Happy June, Enl-Rockers!!

Don't think about it – you will only upset yourselves... but on the bright side your June Slider (quite compact this month) is here to brighten your week!

And June club night starts at 7:30pm on Wednesday the 13th at:

The Windmill Club, Glassbrook Rd, Rushden NN10 9RP

For those who haven't been before, park round the back (or front if there is room) go to the front door, press the buzzer and they will let you in. The club meet in the room on the right before the bar. Can't be there myself, working, sorry...

Cheers!

Mark

Club Night:

LAST MONTH'S CLUB NIGHT FUN:

We went Connect-Four CRRRAAYYZEEEEEE! Well, there was a tournament of the knockout variety and the prizes were, as promised, BEER! So it was pretty good. As predicted (by me) the final was Gail vs me, and I got thrashed. Even cheating my way through with a couple of byes didn't help! Just the luck of the draw, honest. Gail is good – beware if you take her on in the future.

Casting my mind back, Chris (Monkey) was 3rd, and Rose was 4th! I'm pretty sure...

Letters:

An extract of some of the correspondence from our readers.

Dear Mr Slider,

My Range Rover has sun-visors for the side windows as well as the windscreen, but when I drive lesser cars like BMWs I sometimes have problems low sun shining into my eyes from the sides. To combat this, I now carry a loaf of sliced bread and half a pound of Lurpak slightly-salted butter to stick the bread inside the windows and stop myself from being blinded by this appalling cost-cutting measure. By carrying a few slices of processed cheese or some cuts of cold meat I also always have a snack with me at the end of any journey in case I am peckish. Do any of your other readers have favourite foodstuffs that they stick inside their windows on sunny days?

Yours in anticipation,

Lord Fosdyke McSelfridge.

Clackmannanshire.

Dear Enlroc Slider,

I was making a call to my osteopath the other day, nothing serious you will be pleased to hear, just arranging a dinner party, and I was absolutely dumbfounded when I looked up

and saw a school crossing patrol lady shaking her fist at me in the mirror as she allowed about 20 unsupervised children, probably as young as 7 years of age, to play 'all fall down' on the pavements on both sides. More really needs to be done to control these menaces to the progress of ordinary motorists.

Yours, in extremis,

Alice Floater (Ms), Mayor of Studhampton.

Dear Slidey people,

What the hell is going on? I have just had a run-in with a moron in a BMW who couldn't see me because of all the butter smeared inside his car windows. When confronted he offered me a Brussels Pate sandwich. I was absolutely appalled by this - is that the sort of product people should be putting in sandwiches? I don't think so! Everyone knows that pate goes on toast. Please start a campaign to bring an end to this anglicised culinary madness.

Yours, having a lie down,

Albert Piston. RT, LDB, RSOL and Bar.

Laning!

Check the calendar for dates:

It's still a meet at Milligan's event (08:30) – have brekkie and set off! (about 09:30).
Destinations will depend on which lanes are open...

And if you are going laning can you message Dan? Email address below. ☺

**“Have you got
anywhere a bit untidy
and sticky where I can
have a good time?”**

Is this month's phrase that you need to say to everyone you know who owns a field to see if they'll occasionally rent it our way for trialling purposes... Yes, we're still looking for new trials courses!

New Club Toyz:

Step up, Chris and Jane! Very tidy.

Oh, and you all need one of these, but you can't have this one 'cos it's mine!

Polish'n'Pose!

At the St John's Arms, Melchbourne (near Yelden) – Sunday 24th June, 2:00pm until whenever. Put it in your diary (it's in the calendar).

Should be a good day!

Joke of The Month:

Little Emily went home from school and told her mum that the boys kept asking her to do cartwheels because she's very good at them.

Mum said, "You should say "No" -they only want to look at your knickers."
Emily said, "I know they do.

That's why I hide them in my bag"!
