ENYROADUP

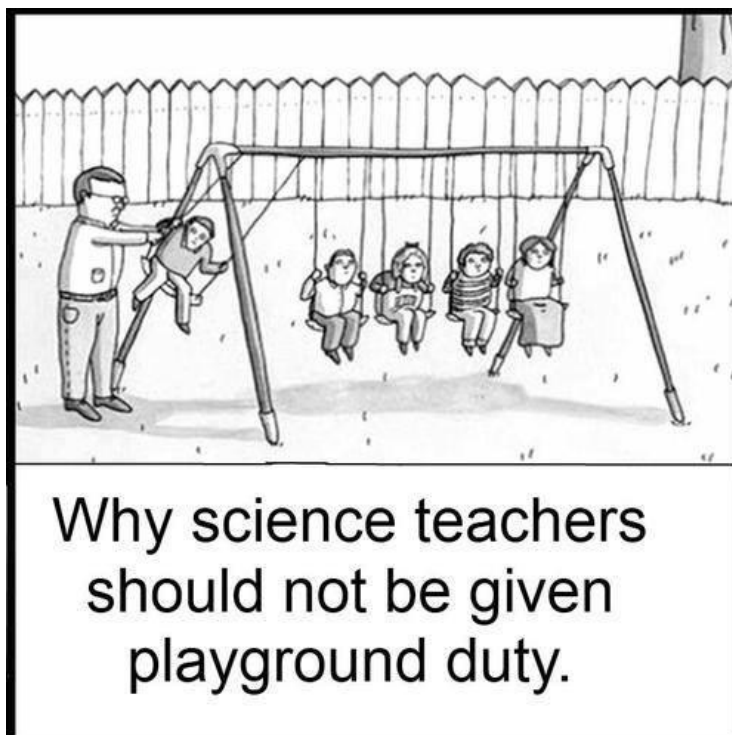

Dear ENLROC Members,

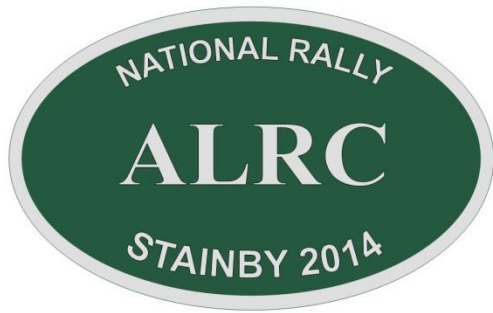

I haven't used the Landy this month. Too busy at work and other family commitments mean that I've not done anything with the 90 other than a quick tip run. (Rushden tip is now re-opened, earlier than expected and it looks like they've done a good job. We'll just have to see how the queues go in the summer!)

Anyway, details of my tip run shouldn't make the newsletter but that's really down to you. Thanks to Paul for his report on the Nationals. If it hadn't been for him I'd have probably resorted to discussing the weather?

Please do consider dropping me an email with any snippets of news or information. You can ask for advice and you can post your adverts here, (there's a nice Land Rover for sale this month).

Pete I.

Club News

ALRC Nationals Trial, Stainby, May 23rd to 27th

To say that the weather was wet for the event would be something of an understatement, but trialers are a hardy, some would say foolhardy, bunch and persistent rain and a mud covered campsite doesn't stop play.

The day of the RTV, Sunday, started with rain but fortunately cleared up into a mild, dry day. Although after so much rain the trials site itself was understandably very wet this only added to the challenge.

We had three drivers representing ENLROC, Dave Williams, Chris Marshall and Dan Marshall. Dave had his mate Phillip as passenger, I rode with Chris and Danny was solo. The trial was well set out by Chiltern Vale Land Rover Club, ran smoothly and as far as I am aware was free from any incidents. In the evening we all gathered in one of the caravans for the usual refreshments and chewed over the events of the day.

The results are as follows:

Chris Marshall 11th in Class with 29 points.

Dave Williams 12th in Class with 29 points. (Less clears)

Dan Marshall 18th in Class with 34 points.

Overall :

Chris came 27th

Dave came 29th

Dan came 39th

The club came 5th Overall with 31 points.

Paul Marshall.
Comp Officer.
