ENYROADUP

Dear ENLROC Members,

Hello once again.

There are a few things to check out in the following pages.

I have included as much information as I currently have about the social event next week. I do hope that we see as many of you there as possible. Even if you can only pop in for a cup of tea you'll be very welcome. If you're not planning to drive any of the sections or courses then there's no cost to turn up and say hello.

Hayley has provided a Green Lane update and a chance to offer some feedback on what you think about green laning with ENLROC. I encourage you all to feed back to Hayley, even just a two line email to let her know you've read the page. Go on, it won't kill you!

Many thanks to Eddie and Gail for sending in some photos and information about the Heritage Show.

See you soon - Pete

ENLROC Social Event

The open day /social event for all ENLROC club members is next week on **Sunday July 12th**. The aim will be to have something for all ages, abilities and vehicles. There will be a driving course of some sort, the return of the reversing challenge, games for children, tea & Cake, the BBQ for lunch and hopefully lots more.

Cake Competition: An essential part of the day last year was the drinking of tea and the sharing of cake! We award certificates for the best cakes and recognition across the club for your baking expertise.

Photo Competition: In September there will be the next ENLROC photo comp. The general idea is that your photos should have some connection to the club or Landrovers in general. Why not plan to bring your Camera next weekend in search of those winning shots!

Bring and Buy: We're going to have space for a buy and sell space. So if you have any items that you think other club members might like bring them along for a spot of selling or swapping. (Already on the sales list are: 2nd Hand tents of various sizes, A couple of Kayaks, o2 iphone 4 phones)

BBQ – It was decided that the club BBQ was a bit of a beast to set up and might not be cool enough to get packed away early enough to take home. There is however nothing stopping you bringing your own BBQs if you wish or a lovely picnic instead.

Cost: This is a non-profit making event. There will only be a **£5 cost per driver** to cover the permit. For members who wish to attend but do not want to drive their vehicle in any of the activities there is no charge.

Times: We'll be ready for visitors by 10:00am and aim to be packed away by 4:00pm

Location: The nearest postcode that I have is **NN14 4AD**. If you need more directions please let me know.

This is a non-competitive social day not a play day.

The hope is that we can get together and have fun but we're not trying to set out a challenging day for the most capable of vehicles.

Green Laning

Summer has arrived and brought with it light evenings and beautiful weather (I'm writing this on the hottest day of the year) which bring perfect opportunities to take in the scenic countryside around us and support our local pubs!

We have been out on the lanes of Derbyshire with the team from Heritage Insurance, tested the door seals on the 90 through the Dodford Ford and enjoyed the beautiful Northamptonshire sunsets whilst exploring lanes and planning routes. However, we've done all of this without ENLROC club members.

Despite scheduling green laning events every month since April we have not had enough interest to run a single club outing either within the county or further afield. Over the past 2 years we have had a good level of interest and uptake from a range of club members which has provided some enjoyable and eventful outings and as your rights of way officer I am keen to understand what I need to rethink to make it easier for you all to get out and enjoy some quality time with your Land Rover. We have worked at improving communications with a dedicated email but the sign up for our mailing list has been limited.

I'd like to understand what we need to change to increase the number of people joining us and to help me with this I've prepared a few questions which I'd like you to answer. The plan is to refine the laning plan between July and September to get as many of you out and about as possible. It shouldn't take long to complete the survey and it will help the committee members to understand exactly what you want from your club so that we can try to tailor our approach to this.

It would be great to get more of you out and about but you need to tell me what you'd like to do so that the time spent planning events and maintaining space in my diary to do them isn't in vain!

Hayley.

Please have a look at the survey below and let Hayley have your feedback

Green Laning Questionnaire 2015

When do you want to go laning?

- | | |
|-------------------|----------|
| Week days | Yes / No |
| Week day evenings | Yes / No |
| Weekend days | Yes / No |
| Weekend evenings | Yes / No |
-

How long do you think a laning trip should last?

- A few hours – I've got other stuff to fit in!
 - A morning / afternoon – As long as there is time for a cuppa
 - A day – If I'm getting the Land Rover ready it may as well be for the day!
-

What's stopping you from joining us at the moment?

- Family / work commitments
- I've done all the local lanes before / there is nothing new
- I don't want to scratch / damage my daily drive
- My Land Rover is 'off the road'

News:

Hi all,

We represented ENLROC at the Heritage Centre on Sunday for the Classic Land Rover Show.

We had a great day, saw lots of old and new Landys, including the one used in Tomb Raider and the one from Judge Dredd.

We were invited by the Range Rover Register (RRR) club to participate in the show arena and did a couple of circuits with them. There were some pro-type Land Rovers (originally called Velars to protect the Range Rover identity, before its official launch), all in excellent condition.

We met some lovely people from other Land Rover Clubs, however our representation was quite disappointing as we had been allocated 8 spaces in the display area and we were the only ones to attend.

The weather started badly, but ended up lovely and we thoroughly enjoyed the privilege of seeing so many classic Land Rovers, as well as other classic cars. We were luckier than one other Landy owner, his Landy caught on fire, however it did prove that the seals on a Land Rover are excellent as when the fire crew opened the doors all the water gushed out!!

We are enclosing a few of the pictures we took so that you can put them on the newsletter and we will keep them in case anyone would like to have a look.

Regards,
Eddie and Gail Scott

ASK ENLROCI!

Need to Know something?

Why not ask the club members?

Occasionally you'll actually get some sensible suggestions!

Make your suggestions/answers via email to

enlroc.pete@btinternet.com

Please try to contribute to your newsletter:

All we need are some photos or comments to add and it will make the newsletter easier to fill, more interesting and we may get it to actually contain some news!

Please send me your news, photos, ideas and feedback. If you have been to an event send in a short report and some photos. If you've done a project on your Landy let me know and send in some pics. Planning an event, got something to say?
