ENYROADUP

Dear ENLROC Members,

The newly appointed committee met last Thursday and it was a long old meeting. After two and a half hours we had discussed much, ranging from trailers to cake and competitions to social events (but cake kept coming up).

The short headlines are that we still have a group of people keen and eager to help the club move forwards. We all enjoy much about the club and its members but we also recognise the need to develop and adapt as the world of owning land rovers changes too.

We want and need more input from club members. Not simply in making suggestions and requests for what people want to happen but in actually getting things done, organised and increasing the clubs presence and membership numbers.

We want to add to the calendar of activities throughout the year and we are keen to see a more proactive approach to doing this. It great when members get in touch advertising something that's going on such as a morning breakfast run or an evening's greenlining at short notice. I have really enjoyed the days when we've met up for a coffee at a Yarwell play days

Check out some of the notices over the next few pages. There are some important reminders about membership forms etc.

Hope to see you all on Wednesday at Billing

See you soon - Pete

Trial @ Weston Underwood:

Unfortunately I couldn't make the trial last month (750 miles away up a mountain!) But it looked like a cracking event.

Thanks to Michael 'Syd' Young for the great photos

Please try to contribute to your newsletter:

All we need are some photos or comments to add and it will make the newsletter easier to fill, more interesting and we may get it to actually contain some news!

Please send me your news, photos, ideas and feedback. If you have been to an event send in a short report and some photos. If you've done a project on your Landy let me know and send in some pics. Planning an event, got something to say?
