The ENL-ROC SLIDER

Monthly (Sort of) Newsletter of the East Northants Land Rover Owners' Club

Hello again my lovelies,

November it is, boyos, and Wales didn't happen. Well, bits of Wales did, obviously. I think they even played a soccer match or something, but nothing happened that involved any ENLROC members as far as The Slider is aware... please drop us a line if you know different!

Club nights continue to be well attended (as many of you know!) second Wednesday of the month at:

The Chequers pub in Yelden - MK44 1AW.

Next month will be Christmas...

READ THIS BIT!!!!:

We have the opportunity for a **Christmas Buffet at Club Night on December 14th**. We expect it will cost attending club members £5 per head, BUT WE NEED TO KNOW IF YOU ARE INTERESTED or we won't be doing it...

I'm expecting to create a smaller newsletter this month... 'Thank feck for that!' they cried in unison...

Cheers, ☺
Mark

Shows News:

Not this month!

More next month, however...

Trials News:

The next trials are at:

WESTON UNDERWOOD on 20th November and

CLIPSTON on 18th December.

KEEP THEM IN YOUR DIARY!

Sweet.

Green Laning in Wales:

Oops. We didn't get there because of a gearbox event just here. This is the M4 West of J13 Newbury... Cold East wind, 4 hours of waiting... They sent a cab from Bristol for Claire (eh?)... Yep, pretty average breakdown...

Eventually there was quite a lot of this:

But when we got back Ash and Jess were most helpful and Ash parked the van up in storage for me! Cheers dude! ☺

Can you hear that noise? No, not that noise, that one! Kind of a small rustling and scratching and hiding and sobbing sound. That's my wallet that is.

True Life Section:

Feature Vehicle:

You were warned last month, so here it is – but at least it's a photo with a difference:

The new engine is now in! WooHoo!!!!

This is me now:

Treasure Hunt!

Completed entries to Gail asap please, so she can mark them for club night!

There will be prizes!

Cake with any luck. Mmmm cake....

Yarwell Pay 'n' Play:

James went and paid and played (the clue was in the title all along) on Sunday October 9th. It was a great day! As you are possibly aware the site might not be available for much longer, so the chances to get dirty in there are diminishing.

Next time I might go along as well! If I've got a working Land Rover, that is...

Shop:

Christmas Prezies!!! Order your club regalia now!!!! See Jess!!!

There we go, that's how it is. ☺

December Club Night:

Bigger than average. Did you read the first thing about this earlier? Yep, Buffet night if you say so, **BUT ONLY IF YOU SAY SO!**

We can't get this ordered without your agreement (and willingness to pay £5 a head). Just let us know if you want a buffet and how many will be attending and it will be arranged!

There will also be a Quiz, Trophies, and if the last couple of nights are anything to go by (yes, I've popped in for the odd one or two), some really great beer! Simon and Lisa might also have some tasty left over ales from my dad's party... ;-D

Comedy:

Committee Contacts:

Committee members should only be contacted between 9:00am-9:00pm for club business, please, and we would be grateful if you would not pass on these contact details to people outside ENLROC without first asking permission from the individual in question.

All contact details are due for an ENLROC website/email update, however, and will probably change shortly, so there is no point in memorising them at the moment. I'll tell you when you can though...

The Small Print: The ENLROC SLIDER does not accept responsibility for unsolicited manuscripts, articles or photographs, Syria, North Korea or Donald Trump, only one of which is properly funny, the others being an African tragedy and an Eastern Black Comedy respectively. Nor does the Slider accept responsibility for lying in burned out basements, thinking about what a friend had said, hoping it was a lie, and definitely not mother nature's silver seed, or anyone else's seed, silver or otherwise... Check out this link, however, and tell me who wrote it for a prize. Damn but this is good:
