ENYROADUP

Dear ENLROC Members,

Season's Greetings!

It's the last newsletter of the year and hopefully we'll see many people at Overstone Manor on Thursday for the usual Christmas Bash. (Dig out those Christmas hats and jumpers.) The formal presentations are due to start at 8:30pm with the Raffle being drawn at 9:00pm. If you haven't had chance to get a raffle prize to Key, feel free to bring something appropriate on the night.

The AGM is due in Feb and we already know that several members of the committee are standing down. This means that we really need to recruit some fresh faces to join. There'll be more news on this next month but if you want to know more please see any of the committee members or email me directly.

CALENDAR 2016 – I am currently collecting dates for the ENLROC calendar. I am keen to add a greater range of information to the calendar for next year. If you know of events, activities, show dates, play-days etc. please let me know and I will try to keep a current list for your convenience.

If you do have any comments, news, information, adverts, jokes, pictures, suggestions, ideas, questions or even complaints please do email enlroc.pete@btinternet.com whenever you see this link it should allow you to send me a message, just like that.

See you soon - Pete

'Chairmans Ramblings'

Its come round to that time of year again, time goes so fast! I look forward to seeing many of you at Christmas Clubnight on Thursday for the annual awards ceremony - for those that can't make it we will try to publish a full round-up of the awards next month.

Looking forward to the Christmas holiday, many of us have struggled to find the time to get out in our motors this year, the Christmas break could be just the extra time you need. Although the club is not organising any specific events, have a chat with your fellow club-members, there are likely to be a couple of 'pay and play' days at Yarwell that you could meet up at or perhaps a group of you might arrange to do a days green laning on some of the more robust surfaced byways? If you're really lucky perhaps you'll be spending some time in the garage fitting the winch that Santa got you?

Looking further ahead the club's AGM is coming up in the New Year, some of the existing committee are intending to step down and take a break and we are always looking for members to bring new ideas and enthusiasm into the running of the club, perhaps some of you could make a new years resolution to get involved and join in to help the club grow?

What ever the New Year brings for you have a Happy Christmas and enjoy your Landys.

Barry

I DON'T UNDERSTAND IT MARY ... THIS IS THE FOURTH ONE OF THESE 'CHRISTMAS CARD' THINGS THAT WE'VE GOT THIS WEEK ALONE, IT MUST BE SOME NEW CRAZE

Message From Hayley:

"When you all take the time to write your letter to Father Christmas this year please consider whether you need any local OS maps? Next year I won't be standing for the role of Rights of Way officer so it's time to start thinking about whether you could take on the mantle. As the committee will confirm getting to meeting nights is a challenge with my work commitments and club nights are just as difficult so I believe it's the right time to handover to someone else.

Thanks to all those who have attended the meets we've arranged (special thanks to those that bought cake or home made treats!)

I wish you all a restful Christmas and hope to catch up with you at Yarwell."

Thanks
Hayley
