# The ENL-ROC SLIDER

Monthly (Sort of) Newsletter of the East Northants Land Rover Owners' Club

Hi Land Rover nuts!

Still testing the salutations here...

I'm pleased to say that the extraordinary and historic year of 2016 has gone for ever, Land Rovers everywhere are on the mend (especially here!) and things might finally be on the up and up! WooHoo!

2017 has a good feeling to it - sniff the future, it smells like Land Rovers! Fabuloso. 😊

January Club night is on Wednesday the 11<sup>th</sup> at:

The Windmill Club, Glassbrook Rd,  
Rushden NN10 9RP

Park round the back, walk to the front and press the buzzer and they will let you in. Or we'll sort them out.

See you there!

Cheers,

Mark

## Shows News:

Oh bugger. I didn't realise this was on last weekend... however, it'll be on next year as well, and I can feel a club run coming on... quick edit and it's in the calendar now, so it's got to happen! 😊

Er, next page...

Just a tiny Snafu (sorry about that Pete):

# THE EIGHTH Vintage Stony

VINTAGE CAR AND MOTORCYCLE FESTIVAL

Sunday 1<sup>st</sup> January 2017

10.30am - 2.00pm

MARKET SQUARE, STONY STRATFORD,  
MILTON KEYNES MK11 1BE

## Trials News:

Fab trial at Clipston on December 18<sup>th</sup> – well attended (8 drivers) and comprehensively owned by Chris 'Bert' Marshall who took the driver's win and best novelty hat! I am advised that his head-turkey not only moved its legs but sang songs as well! Epic. Well done Bert!

Great section by Dan on facebook – check this out:

The next Trial is at Cranford on Sunday 18<sup>th</sup> January – it's an open permit so modified and non-land rover vehicles can be driven as well - £20 per driver as usual and spectating is still free! Nothing is free, they say, well our spectating is, so there. You can just put that in your pipe and smoke it.

# The Five Went Laning in Leicestershire Section:

Golly chaps! Did you see those Land Rover folk out laning on the 28<sup>th</sup> December in the cold? I heard that they were a properly cheerful bunch of souls, laughing and singing and drinking lemonade and eating mince pies and talking on their citizens band radio thingys – a good time was had by all, they say, and not a sorry word in the day! Except for grumpy old Farmer Giles, of course, when Barry had the map upside-down. Mark learned his lefts from his rights and they made sure that Dan's white defender was at the back to make it especially hard to see it in the fog! Everybody took their dogs along and the countryside around Market Harborough has seldom enjoyed such a pile of fearsome enjoyment before! So Barry and Nic and Mark and Dan and Bert and James and his Dad and Ash and Jess and the six dogs and five Land Rovers all wish you a very happy new year!

# February Club Night and AGM:

**Quite important, this.**

Club night on Wednesday 8<sup>th</sup> February is AGM night. The AGM should only take a few minutes but most importantly it is also Committee Election Night!

YOUR CLUB NEEDS YOU – Family commitments mean that some committee members are standing down this year so their places need to be filled.

All of the Committee posts are up for re-election, so please take your pick from the following:

CHAIRMAN or CHAIRWOMAN. I absolutely refuse to write the word CHAIRPERSON. Damn.

TREASURER

SECRETARY

SOCIAL SECRETARY (Inc. Newsletter)

MEMBERSHIP SECRETARY

SHOWS COORDINATOR

CHILD PROTECTION OFFICER

SAFETY OFFICER

WEBSITE EDITOR

GENERAL MEMBER

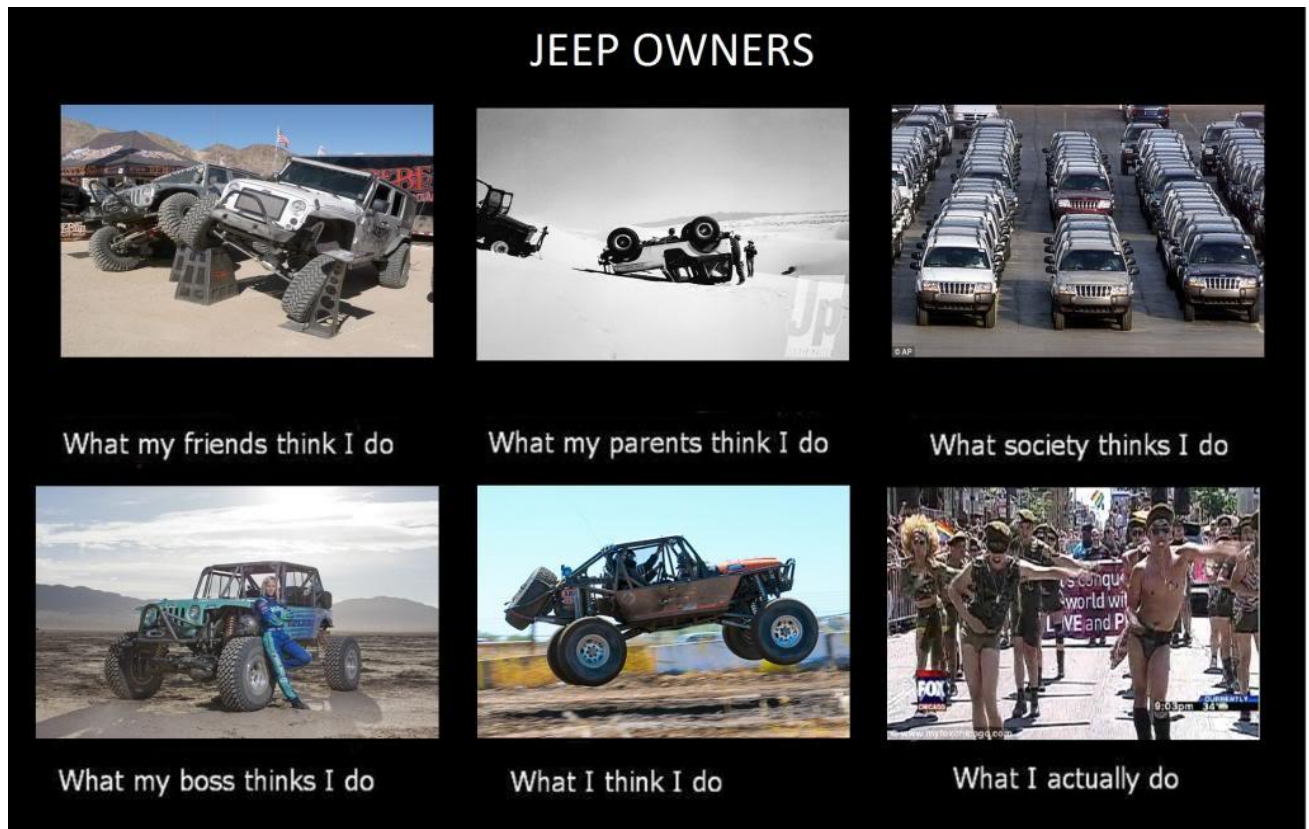

RIGHTS OF WAY OFFICER

COMPETITIONS OFFICER

SHOP/REGALIA OFFICER

# Gratuitous Jeep-Bashing Section:

# Ideas by You Section Again:

Just to let you know, if you have any ideas for the club, social events, sporting events, gatherings, drive-outs etc, your committee is here to help you make the thing happen and we would love to support your efforts!

Come on – you know you want to do it, and we will be around to assist, after all.

Or.... You could join the Committee in February and make a positive difference to your club that way – it would be great to have you on board! 😊

## Committee Contacts:

Committee members should only be contacted between 9:00am-9:00pm for club business, please, and we would be grateful if you would not pass on these contact details to people outside ENLROC without first asking permission from the individual in question.

All contact details are due for an ENLROC website/email update, however, and will probably change shortly, so there is no point in memorising them at the moment. I'll tell you when you can though...

**The Small Print:** The ENLROC SLIDER does not accept responsibility for unsolicited manuscripts, articles or photographs, the apparent 2017 fall in the rate of celebrity deaths (imagined or otherwise), the fall in the pound (real), the fall in America (Autumnal) or the bit near the end of The Abyss when Ed Harris falls into The eponymous Abyss and lands on a flying saucer, thereby ruining an excellent film. James Cameron, what on earth were you thinking? Nor does the Slider accept responsibility for the interference of foreign superpowers in election processes anywhere, though it does mean an inevitable tightening of security around the ENLROC Committee elections next month, sorry. Something else to blame the Americans for... ©
